

TAKE A STEP

How to move gradually toward giving a planned, proportionate and sacrificial share to the church.

Find your household income on the appropriate chart (if necessary, please approximate by using combinations of amounts).

Move across on the same line to find the amount you currently give weekly or monthly in the envelope.

Move straight up the chart to find what percentage of your income your current gift to the parish represents.

Please consider *taking a step* by pledging at the next level. For example, if you are presently giving 2% to the parish, consider pledging 2.5% or 3% now.

Consider setting your eventual goal at the Biblical tithe of 10% (5% to the parish and 5% to other charities). It may take a few years to get there, but this is a worthy and rewarding goal for all on the road of discipleship.
